

**The Bucks County Disc Golf Alliance  
Proudly Presents**

# Spring Fool's Madness Night Tournament

So you like 'Moonlight Madness'!!! Why not try it in the spring with a twist. I will be adding my version of RIPT to the event. I know... what is RIPT... well it is a card game played while playing disc golf. You can potentially get cards that allow you to re-throw without penalty, force your opponent to throw with his wrong hand... and in my version there will be one card that someone might get that allows them to switch scores with Joe Mela!!!!

**So come out  
and have some fun...**

**Spring Fool's Madness**

**Date: April 8th, 2006**

**Player's meeting:  
7:15pm SHARP**

**Tee Off: at sunset...  
7:31pm**

**Cost: \$10  
(will include pizza at Sal's)**
