The 2008 Tyler Ice Bowl had the distinction of raising the most food of ALL 2008 Ice Bowls *worldwide (4th Year running!)* We raised 12,790 lbs of food for the Food Banks!! Help us to once again be the leader in charitable giving – can we make it to 15,000 lbs of food in 2009???

Note: Everyone bringing 20lbs or more of food donations to the event, or paying a special $10 guesstimate fee, will get one guess at determining the total weight collected. The person coming closest to the actual number will win a DGA MachLite basket donated by the "Canadian"!
