

March 19, 2010

Andrew Sweeten
Bucks County Disc Golf Association
1266 W. Maple Avenue
Langhorne, PA 19047

Dear Andrew,

This letter is written to offer a special thank you for your participation in the 2010 Earth Day celebration which was held on April 24, 2010 at the Hatboro-Horsham School District's Jarrett Nature Center.

Thanks to your help, this year's Earth Day celebration was a tremendous success. Contributions by you and other volunteers educated the Earth Day celebrants on many important issues relating to the environment. Importantly, your effort helped to showcase the JNC and spark interest in its value to our community.

Here are some interesting facts about our Earth Day celebration:

-  Over 250 children and adults attended this year's celebration.
-  Participants cycled through twelve separate activities and environmental stations facilitated by close to fifty volunteers.
-  With the support from AB-8 Waste Solutions, over thirty-five pounds of crayons were recycled.
-  Through contributions of the PA Game Commission, over ninety tree seedlings were planted.

These wonderful activities would not have been possible without your help and participation. On behalf of the Jarrett Nature Center Advisory Board and the School District of Hatboro-Horsham, we offer a sincere thank you.

Photos from our exciting day are posted on the JNC website. Please go to www.hatboro-horsham.org and click on the Jarrett Nature Center shortcut link on the left side of the page.

We are hopeful you will continue to support our efforts in the future and join us for next year's JNC Earth Day celebration on April 30, 2011.

Sincerely,

Jean di Sabatino
Director of Curriculum

Carolyn Koch
JNC Advisory Committee Chair

Mary Ellen Noonan
JNC Coordinator
